

Can I Become A Community Advisory Group Member?

It is important that the CAG be representative of all the varied interests that exist within the greater study area. In short, we need all viewpoints represented.

We anticipate the membership to include volunteers from at least the following interests:

- *Local and county government*
- *Area communities*
- *Agricultural interests*
- *Environmental groups*
- *Business organizations*
- *Transportation-related organizations*
- *Area homeowners associations*
- *Bicycling interests*
- *Others, as they are identified*

These groups represent large numbers of people who will have a stake in the outcome of the Eastern Bypass Study. Therefore, it is important that they be represented on the CAG, if possible.

We would also like the participation of area residents. These are individuals who may not officially represent a group but who can reflect the views of the population in general.

We expect that the CAG will meet approximately seven times over the course of the two-year Corridor Study.

If you feel you would like to be a member of the CAG, then we would like to hear from you. Please complete one of our "CAG Membership Request" forms. You will find them at the sign-in table. We would like to receive all forms no later than August 11, 2008.
